Dear **Ms. Jeanky S. Mendez,**

I am writing to express my interest in the UI Designer position that is currently available at Linkage Web Development Company. As an IT student with a specialization in Web Development, I am eager to apply my skills and passion for web design to a professional setting. Through my studies, extracurricular activities, personal projects, and part-time work, I have gained a strong foundation in web design and have honed my skills in creating visually appealing and user-friendly websites.

Formely in my graphic designer role, my success have stemmed from essentials skills. I am known for inspiring and creating original, thought-provoking concepts. I have cultivated skills in graphic design, videography, and web programming through diverse experiences of using various software such as Filmora Wondershare, Adobe Illustrator, Adobe InDesign, Canva, and Gimp and also capable of using HTML, CSS, and JavaScript to implement designs. These talents, along with my passion for this field, align with the qualities you desire. I work best in an environment that values motivated, enthusiastic teamwork.

I have an artistic eye and a good work ethic, but also an element of imagination that I like to nurture. I give leadership, creativity, and management skills and I truly believe that my innovative abilities can prove to your company to be a valuable resource.

I appreciate you making your time and consideration accessible. Feel free to reach me by my contact number or by messaging me with my email address attached below. Thank you and I look forward to getting your positive response.

Sincerely,

**Francilyn Bernadette P. Estanislao**
